REMARKS

The present amendment is prepared in accordance with the new revised

requirements of 37 C.F.R. § 1.121. A complete listing of all the claims in the application is

shown above showing the status of each claim and the amendments to the specification

are shown above in the replacement paragraphs. For current amendments, inserted

material is underlined and deleted material has a line therethrough.

Applicants note with appreciation the allowance of this case in the Notice of

Allowance mailed October 14, 2004. In the course of preparing the application for grant,

Applicants have reviewed the specification and claims and have found that the above

errors require amendment.

This amendment to the specification does not require a new search and is not a

substantive change from conceptual considerations. Accordingly, it is respectfully

submitted that the present amendment be entered under the provision of 37 CFR 1.312

and such action is respectfully solicited.

At this time, the issue fee has not been paid.

Respectfully submitted,

Kellynd. Reynølds
